## 2023-2024 West Portal Elementary Education Fund: Funding the Future

The West Portal Parents Club (WPPC) is proud to support our vibrant community of teachers, students, and families. While tax dollars pay for the basic minimum infrastructure of the school, it is the financial support from families that enables several of our most beloved staff, programs, and events to be such a meaningful and integral part of every child's education at West Portal Elementary School (WPES). This year, in particular, with pending budget cuts and overall district funding uncertainty, donations will be even more critical to fund the future.

The WPPC's largest expenditure is funding **100% of staff salaries for World Music, Garden Science, and a Recess Coordinator**. It is difficult to even imagine our school without these dynamic programs that have become hallmarks of the West Portal student experience.

Fundraising to ensure the continuity of these programs is the WPPC's highest priority.

Last year, WPPC also funded **100%** of the new Lunar New Year Event along with cherished annual traditions like the Rock Show, Pumpkin Patch, Read-a-Thon, School Musical, WPES Olympics, and Maker Playground. Donations to WPPC also funded a school t-shirt for every student, supplies for classrooms, and equipment for staff.

All of these events and programs are for every student and every family in the West Portal Elementary School Community. WPPC is honored to play such a significant role in contributing to what makes our school so magical.

We sincerely hope you will consider contributing to this year's Ed Fund campaign for the benefit of WPPC. No amount is too small, and all donors will be recognized equally. **All Ed Fund donations are eligible for tax deductions and eligible for corporate matching.**

On behalf of nearly six hundred little Panthers and their amazing educators, thank you for helping us enhance West Portal Elementary School in so many essential ways.

Sincerely,

The West Portal Parents Club (WPPC), with support from  
Henry Wong, Principal  
Pamela Aguilar, Assistant Principal

### WPPC’s Fundraising Goals and Budget

Similar to last year, the Parents Club will fundraise only two times in the 2023-2024 school year – this Education Fund campaign and the Spring Auction — to reach our annual goal of raising \$375,000. With our current enrollment of 597 students, we need to raise \$628 per student to meet this year’s budget needs. Fundraising comes primarily from families and corporate matching gifts.

All donations are eligible for tax deductions and corporate matching. If you have questions about how to sign-up for corporate matching, please contact the Ed Fund team at [EdFund@westportalparentsclub.org](mailto:EdFund@westportalparentsclub.org).

### WPPC Budget 2023-2024: \$584,250
